

You are cordially invited to join **Mayor Edwin M. Lee, the SF Police and Fire Department, and the Department of Public Works** for a

Groundbreaking ceremony for the

Public Safety Building

Thursday, September 8 at 11:30 am
3rd & Mission Rock

Light refreshments will be provided.

Celebrate the groundbreaking of the Public Safety Building - the new home of the San Francisco Police Department Headquarters, Southern District Police Station and fire house for the Mission Bay community.

The Earthquake Safety and Emergency Response program is funded through General Obligation bonds passed by voters in 2010. The Public Safety Building is a partnership among the San Francisco Department of Public Works, Fire Department, Police Department, and San Francisco Redevelopment agency. As we observe the 10-year anniversary of September 11th, the City & County of San Francisco reaffirms our commitment to provide improvements to police and fire emergency response and public safety services for residents for decades to come.
